Selection process

Interested parents or guardians must fill out the application and provide required supporting documents. Applications will be accepted throughout the calendar year and scholarships will be announced 3 months prior to the start of the season of classes (Winter, Spring, Summer, Fall). In order to be eligible for a scholarship for a preferred season, your application and supporting documents must be submitted prior to the due date of the upcoming season to be eligible for that season.

Application Due Dates
Fall Session 2021 – Due June 1st 2021
Winter Session 2022 – Due October 1st 2021
Spring Session – Due January 1st 2022
Summer Session – Due March 1st 2022

*Summer 2021 applicants are being addressed on a first come first served basis until scholarships are exhausted.

We have a limited number of scholarships per season. If there are more applicants than scholarships available, a lottery will be held to select individuals at random. Selections are made for single scholarships. If a family has more than one interested member, they must choose who is to receive the award. The other interested family members will remain eligible for an award for the remainder of the calendar year. Applicant pools do not roll over from one calendar year to the next. To be considered for a scholarship, you must establish eligibility every year.
Camp and class scholarships will be handled in separate lotteries. Individuals who receive scholarships are not eligible for the same award during the same calendar year. If a selected person turns down the scholarship, another person will be selected.

Eligibility for the scholarships and is determined by Lifetime Activities management.
