

# Goldman Tennis Center Youth Scholarship Program

Lifetime Activities offers scholarships to eligible San Francisco resident youth (4-16ys) for tennis lessons and summer tennis camps at the Goldman Tennis Center. Scholarships are offered in the form of free and discounted program tuition for students from low- income families.

Parents or guardians can apply for a scholarship by meeting income level restrictions and by submitting documentation of enrollment in other subsidized programs.

Scholarships are offered for our youth tennis lesson programs and youth tennis camps.

## Scholarships

Individuals from families who meet the criteria are eligible for up to 1 group lesson scholarship and 1 camp program scholarship per person, at 50% or 100% of cost per calendar year depending on need.

### 50% scholarships

- Summer Tennis Camp (M-F)
- Multi-week session of group tennis lesson (example: Spring session is 6 weeks)

## WHO IS ELIGIBLE?

- Applicant's household must have an income equal to or less than 250% of the current federal poverty level, as determined by the U.S. Department of Health and Human Services **Federal Poverty Guidelines 2022** (see last page).

Eligibility for scholarships must be established every calendar year by meeting eligibility and verification requirements.

### Level 1 – 50% Scholarship

### Level 2 – 100% Scholarship

### **Selection process**

Interested parents or guardians must fill out the application and provide required supporting documents. Applications will be accepted throughout the calendar year and scholarships will be announced 3 months prior to the start of the season of classes (Winter, Spring, Summer, Fall). In order to be eligible for a scholarship for a preferred season, your application and supporting documents must be submitted prior to the due date of the upcoming season to be eligible for that season.

### Application Due Dates

Fall 2022 & Winter 2023 Camps - due June 15th, 2022

Winter 2023 - due September 15th, 2022

Spring 2023 & Summer Camps - due January 15th, 2023

Summer 2023 - due March 15th, 2023

*\*Applicants are being addressed on a first come first served basis until scholarships are exhausted.*

We have a limited number of scholarships per season. If there are more applicants than scholarships available, a lottery will be held to select individuals at random. Selections are made for single scholarships. If a family has more than one interested member, they must choose who is to receive the award. The other interested family members will remain eligible for an award for the remainder of the calendar year. Applicant pools do not roll over from one calendar year to the next. To be considered for a scholarship, you must establish eligibility every year.

Camp and class scholarships will be handled in separate lotteries. Individuals who receive scholarships are not eligible for the same award during the same calendar year. If a selected person turns down the scholarship, another person will be selected.

Eligibility for the scholarships and is determined by Lifetime Activities management.
