Wednesdays 7-8pm | Dates: 2/10, 2/17, 2/24, 3/3, 3/10

Session Fee: \$79

We recommend our 'Introduction To Chess' class if your child is relatively new to chess and still learning rules and how pieces move. Players with a basic understanding of play (but with limited practice/exposure) are encouraged to enroll in our 'Beginning' class. Players with a stronger grasp of opening, middle-, and end-game approaches are good fits for the 'Advanced Beginning/Intermediate' class.
