MINUTES

In Attendance:

Mark Spiller, Michelle Dunaway, Cyril Macasero and 6 community members

Facility Updates

2 new courts

- RFQ Process complete
- Waiting for cost estimates
- Bid will be sent out soon. The hope is that it will be awarded in June and the courts finished in November.
- Plan for construction of the 2 courts includes state-of-the-art LED lighting
- Another community meeting possible in May to present schematics for construction

Amador Valley High School

- Used for USTA League overflow and rain makeups
- City of Pleasanton has put up 2 signs at the high school to show open play schedule and ordinances
- It was mentioned by a community member that the courts at Fairlands may need resurfacing and the center straps need to be replaced.
- The community member also mentioned there was unauthorized coaching at both Fairlands tennis courts and at Muirwood Park
- Another community member suggested to implement a court reservation system at the other tennis courts similar to other open play tennis courts in the South Bay
- Lifetime Tennis and the Parks and Recreation Department will look into the matter

Program Updates

Spring USTA Leagues

- 20 teams hosting matches at the Tennis Park and at Amador
