

Lifetime Activities Pleasanton Tennis and Activities Camp Readiness Guide and FAQ

Lifetime Activities has updated our procedures to include considerations for the COVID-19 virus. Our procedures are informed by Public Health, Department of Social Services and County Office of Education orders and guidance.

On Your First Day

Please arrive a little early on your child's first day as we need to review all paperwork before admittance. Staff will greet you and your child and will answer any questions you might have.

Health and Safety Check Procedures

Health Check Expectations before arriving to camp

- If your child has a fever or is sick, please do not bring them to the program. If your child has a fever, we can accept your child into program 72 hours after the fever breaks without fever reducing medication.

Health Check Protocol upon arrival at camp

A health check will be performed for every staff member and child before entering the camp. Each staff member and parent/guardian will be asked these questions and we will provide a daily form to complete with signature

Staff will perform a forehead temperature check and ask the following question before admitting the child into camp:

- Do you live with anyone or have you had close contact (prolonged or coughed on, for example) with anyone who has been diagnosed with COVID-19 within the last 14 days?
- Do you have a fever, cough and/or shortness of breath? For children, fever is 100.4 degrees for forehead thermometer, 99 degrees or higher with armpit thermometer or 99.5 with oral thermometer.
 - Children with a temperature of above 100.4 will not be admitted into camp
- Are there any other signs of communicable illness such as a cold or flu including Diarrhea, vomiting, difficulty breathing, uncontrolled coughing, unusually tired, persistent crying, etc?
- Parent guardian must agree to come pick up their child if any symptoms are exhibited at program.

We ask that parents/guardians not group up around the camp facility. All patrons are asked to practice social distancing when on-site.

FAQ

Q: What are the details of the camp and how can I register?

A: Camp are offered in 4 week blocks

- Weekday camps Monday-Friday; June 8 to July 3 and July 6 to July 31
- Weekend camps Saturday and Sunday June 13 to July 5 and July 11 to August 2.
- We offer Morning Tennis from 9am-12pm and All-Day Tennis and Activities Camp from 9am-3:45pm. You may register online at www.lifetimeactivities.com. **Registration closes 3 days prior to the start of camp**

Q: Where will Camp be held?

A: Camp will be held at the Pleasanton Tennis and Community Park: 5801 Valley Ave

Q: Who can attend the Camp?

A: Children of essential workers and those parents that are allowed to return to work as described in the most recent Alameda County Order.

Q: What ages will be in the Camp?

A: Ages 7-15

Q: What should my child bring to camp?

- Face mask (to be worn during check in and cool down time indoors)
- Backpack or tennis bag for personal items with name clearly marked
- Personal tennis racket with name clearly marked (available for sale at pro shop)
- Large insulated jug of water
- Towel to sit on for park lunch or water breaks
- Light snacks (lunch for all day students) – refrigeration not available
- Comfortable athletic wear
- Hat or visor (strongly encouraged)
- Sunglasses
- Non-marking tennis shoes.
- Hand sanitizer
- Tissues

Q: Will children be outside or inside for the program?

A: Participants will be outside for the day and should come to camp with sunscreen plus more to reapply. Coaches will not be able to apply sunscreen for your child. We will have indoor accessibility to the club room for air conditioning breaks if it is very hot (mask required for indoors). At this time restroom access at the park will be for campers only.

Q: Will parents be required to sign in and sign out their child?

A: Yes, we will do a daily check-in and health screening where parents will need to attest to their child's current health. At Lifetime Activities Pleasanton, we will be doing a curbside sign in and sign out where parents can stay in their car. If someone other than the primary parent or guardian will be doing drop off or pick up please notify the camp director so they may record who that person is.

Q: What safety measures are being provided for Tennis and Activities Camp?

A: In accordance with Alameda County guidelines for childcare, we are doing daily health screenings for all staff and participants and following all social distancing protocols. As always, we will encourage frequent handwashing or use of hand sanitizer. Our camp safety protocols include:

Lesson safety protocols:

- All tennis classes, programs will have a **maximum of 4 players** per court (plus an instructor): A tennis court is 7200 sq. feet, which allows for optimal physical distancing between players. Off court activities will include social distancing of 6ft or more.
- Coaches will conduct lessons with games, drills and exercises that do not require students to group close together
 - Activities will emphasize rally based play which provides maximum distancing
 - Players will use rackets to move balls away from playing space when needed
- Students will not be required to directly handle tennis balls OR will use their own individually marked ball (provided)
- Numbered mats & cones to identify play and item storage stations during classes
- Protocols for classes include spaced entry and exit plans and personal space for water breaks
- Students will be required to bring their own racket and not share with others
- All staff will wear proper PPE
- Gates and common doors will be left open to reduce touch points

Q: What if a child cannot come all 4 weeks?

A: In order to reduce risk from exposure, Alameda County Health guidelines require that we keep the same group of children together in a pod throughout the program. If a child cannot come all 4 weeks or needs to take a day off that is okay, but they must continue to Shelter in Place per the current County order while they are out of camp.

Q: What if a child gets sick and misses camp days or weeks, will we be refunded?

A: We cannot offer refunds for sick days however if an illness requires that a child is absent continuously for a week or more, we will provide a credit on account for the week(s) missed with a doctor's note.

Q: Will kids be required to wear masks the entire time at camp?

A: Players should bring a mask for use during check-in and breaks should we go inside for cool down breaks where they are required. Per City policy, anytime anyone is in one of our City facilities like the club room a mask will need to be worn. Masks are not required for outdoor activities and not recommended during strenuous exercise as they may inhibit breathing. The camps will be mainly outdoors, with social distancing.

Q: How will lunch and snack time work?

A: Every all day student will need to bring their own lunch, that does not require refrigeration or reheating, at least 2 snacks and a large insulated water jug each day. We will not be providing snacks or lunch so participants are expected to have their own. We will plan to eat lunch outside and participants will only be able to eat their own items, and not share with others.

- Water fountains at the park are turned off. Water is available for purchase (no cash sales) but we recommend bringing a large insulated water bottle or jug that will last the entire day.

Q: Will sunscreen be provided by the camp?

A: No. Sunscreen must be provided by and applied by the participant or their family prior to attending camp. Campers may bring their own sunscreen to reapply themselves. We are not able to apply sunscreen to campers.

Q: How are the kids grouped?

A: Prior to camp beginning we will reach out by phone with questions on your child's current skill level. Based on this information we will do our best to group kids by age and level. *Due to the county health guidelines which require stable groups, we will NOT be able to make changes to the group once the camp begins.*

Q: What are some of the features of the tennis camp?

A: We have ball machines and specially designed backboards which allow for the ultimate training experience to help our players get the reps they need to improve their game. In addition to the training benefits they provide, our ball machines and backboards help us maintain physical distancing and keep the program fresh with new challenges every day. Our coaches will introduce skill level progressions as players improve throughout the camp.

What we will do if COVID 19 case is confirmed on site

Communication procedure: If we have a confirmed case of COVID 19 in our camp program, we will take the following steps:

- Notify families and staff of a confirmed/potential COVID-19 infection in the facility
- Protect personal identifiers of who had the confirmed case – we will not share names.
- We will share with you if your child has had close interaction with someone in his/her group who has displayed symptoms.

Infection Control Activities

- If the individual infected with COVID-19 spent time in camp and had close contact with others while ill, we will follow the guidance of the public health department. This may mean we will need to close the program for 14 days.
- If there is a confirmed case, we will initiate a deep cleaning of the facility.
- We need to ensure staff and families understand ill people should remain home until well and those with COVID-19-like symptoms should self-isolate until 7 days after

symptom onset OR 72 hours after their fever is gone and initial symptoms have improved, whichever is longer.

Camp rules for participants:

Parents, please review these rules with your child(ren) prior to the first day of camp.

- I agree to stay 6 feet apart from my camp mates and stay in my assigned zone or area at all times
- I will wash my hands frequently and not touch other players equipment or personal items
- I will not joke about covid-19 or pretend to be sick
- I will try hard, treat my fellow campers with respect, and display good sportsmanship at all times
- I will let my coach know if I am not feeling well or if I need special assistance

We are looking forward to a fun and engaging camp!
